

JTLYK Reception

Friday 1st March 2019

We are very excited that the hatching eggs arrive on Monday! This is such a lovely hands on way for children to learn to care for animals and to explore life cycles. If you would like to know more about the company that we use, their website is thehappychickcompany.co.uk

Unfortunately, we still have a number of donations outstanding so do please remember to pay your £6.50 as soon as possible. Thank you!

We would like to invite you come and see the chicks on Monday 11th March at 2.15 pm when the children will show you their 'chick diaries' as well as tell you all about what they have learned!

Parent Consultations

You should by now have received a letter about parent consultations - do let us know if you have not! Please note that appointments are allocated on a first come first served basis and certain timeslots book up fast.

Dear Parents

What an amazing time the children have had taking part in our 'School Values' week. They have been so excited each morning to find out what lovely activities have been planned for them.

The weather this week has been truly glorious and we have enjoyed getting outside in our newly refurbished garden area with a new 'shop', stepping stones, balance beam, pagodas and a climbing rope ramp!

Red Nose Day (15th March) is almost upon us and we will let you know more details next week. Meanwhile, please note that the children are invited to come to school that day in their own clothes, red noses and should bring in a pound for Comic Relief!

Have a lovely weekend!

The Reception Team :))

The Wild Place

If you would like to help us at the Wild Place on a Thursday afternoon, please sign up on the sheet in the corridor in advance so that we know we have help and can make definite plans. Thank you!
