

REMINDER Christmas Play

We hope that you have all managed to book tickets to see the children's Christmas Production! They have been working so hard in rehearsals and are excited to show you the fruits of their labour! We are so proud of them all!

The hall floor is mapped out quite clearly with aisles and we kindly ask you to stay seated in your chair throughout the performance rather than moving into the aisles as the aisles are in use throughout the performance. Please note, there is also an aisle along the back of the hall which needs to remain clear of people and bags etc.

Thanks so much for your support!

Coats!

Please make sure your child has a warm & waterproof coat for use at school. We like to get outside, even in winter, and plan to go to the Wild Place on Monday afternoon (8/12).

Phonics / Spellings!

This week we are focussing on revising the sound families we have already learnt and creating 'sound family stories'. For instance, how many 'i' sounds (e.g. igh, i-e, ie, e-e and y) can you fit into a story? Can you use your sentence skills and maybe even some interesting adjectives

Maths Corner

This week we have been doing Speedy Maths working hard at consolidating our schools, and we have learned to quickly add 10 and 11 to given start numbers using big and small 'jumps' on a number line.

Maths Challenge

Can you solve this magic square? All the rows and columns must add up to 12! Can you create your own magic square? Can you ask a friend or adult to draw some magic squares for you to solve?
