

# Just to let you know...

What an exciting start to our week...On Monday afternoon, a 'body' was discovered in the school grounds! The Year 4 'forensic' team was called in and the children were enlisted to help interpret the material evidence and solve the mystery.

Pupils learnt about the famous discovery of a body in Lindow Moss Bog in 1984, which was the remains of a man from 2000 years ago. During their investigation, pupils had to consider how the man's body got there and why certain materials survived the test of time? Why not ask you child to tell you all about their findings and what they included in their Scientific Report?

Dear Parents,  
Please can you help your child to find material to use when carrying out their **materials investigation on Monday**.

It only needs to be approximately the size of a piece of A4 paper., the children will have discussed in their group what they will bring. Please continue to hear your child read 3 times per week and check Reading Journals for Homework. Reading Journals should be brought in EVERY day. Thank you.

The next Fluffy is Friday 17th October. Remember your £1! Please note there is also **no group reading** on this Friday.

Have a great weekend,  
Kind regards,  
Julia, Jess and Sheila

## SPELLINGS OF THE WEEK

disobey  
disagree  
disappear  
misbehave  
mislead  
mishear  
unimportant  
unnatural

disappoint  
uncertain  
discontinue  
misspell  
  
decomposition  
  
Investigation  
  
science

## Mathematics

In Maths this week, Year 4 have been learning how to solve subtraction calculations using the column methods. If you would like to support your child further, then have a look at the mymaths website under Level 3/4, 'Number', 'Add, Subtract Written' and then choose column subtraction.
