

## Year 2 Chestnut and Walnut

### Swimming

Please don't forget that we start swimming again next week (06.03.19).

### Curriculum week

The children have thoroughly enjoyed this week which has focused on our school values. Each day they have participated in different activities and it has been wonderful to see our Year 2s helping the younger children - they set a brilliant example!

### Things to remember

Parent consultation evenings are on Tuesday 12th March and Thursday 14th March. We have sent home letters to book appointment times - please remember to return these by Monday 4th March. We look forward to talking with you about your child.

### Dressing up clothes

If you have any dressing up clothes that you no longer want, Reception would be very grateful for them. Thank you!

### Maths

Next week we're continuing our work on multiplication. It would be useful if you could practise the 2, 5 and 10 times tables e.g.  $1 \times 2 = 2$ ,  $2 \times 2 = 4$  etc. up to  $10 \times 2 = 20$ . We will be using our multiplication knowledge to solve simple problems.
