

# Just to let you know...

Year 1 13.6.14

**Dear parents,**

We have had a fantastic week in the sunshine this week, for healthy week! We did lots of sporty activities and games outside and in the hall. We have travelled in our pirate ships to Brazil this week as they are hosting the world cup! We also used Brazilian fruits in our maths, making number bonds to 10, 20 and 100 (and eating tasty fruit kebabs too!) We looked at some non-fiction books and wrote an information page about a sport or sportsman. We enjoyed our football rounders tournament on Wednesday, and also our team building games on the playground.

**Love Hannah, Emily and Jacob**

## Maths

This week we were thinking about which numbers go together to make 10 and 20. We call these number bonds. We used our knowledge of number bonds to design and make Brazilian fruit kebabs. See if you can hide numbers around your garden or house and find the number bonds to 10, 20 as quickly as you can.  
(Extension: bonds to 100)

**Trip to  
Painshill Park**

**9th July!**

**If you can  
come along  
and help, let  
us know!**

The Golden Boot Challenge is underway again. Don't forget to try and walk, scoot, cycle or even run to school on Fridays!
