

# PROMISE OF THE WEEK...

**Ask**  
and it shall be given to you.  
**Seek**  
and you shall find!

A detailed illustration of a mole emerging from its underground home. The mole is shown from the chest up, with its long, dark fur and small, round eyes. It has a determined expression on its face. The background is a soft, hazy landscape with rolling hills and a small body of water in the distance. The overall tone is peaceful and hopeful.

**The Mole had been working very hard all morning spring cleaning his little home. He had dust in his throat and eyes and an aching back and weary arms. But Spring was moving in the air above and in the earth below and around him, penetrating even his dark and lowly little house with its spirit of divine discontent and longing...**

It was small wonder then that Mole suddenly flung down his brush on the floor, said ‘Bother!’ and ‘Oh blow!’ and also ‘Hang spring cleaning!’ and bolted out of the house without even waiting to put on his coat. Something up above was calling him imperiously...
