

Just To Let You Know...

Imagination props...

We are looking to build up our collection of old table cloths, scarfs, off cuts of fabric, gloves and bags for imaginative play. If you have any of these that you would like to rehome please pass them onto us. Thank you!

Tricky words...

We have learnt 4 new tricky words this week. They are **said**, **have**, **like** and **so**. Please practise these at home.

You could make the words in sand or shaving foam using a paintbrush or your finger. You could hide the words around the house or outside and go on a tricky word hunt.

Dear Parents,

We have had a fantastic first week back to school. On Tuesday we walked to the library, the children enjoyed choosing a book which they scanned out and bought back to school. These books will stay at school and we will enjoy reading them this half term.

On Wednesday Mrs Katmeh spoke to us about Eid. We enjoyed hearing about how she celebrates. We made decorations and fudge.

Please check the dates for your diary. On Monday we have our class photos. We're having our photo taken first thing so that the photo is taken when the children look their smartest! Please make sure they have school jumpers or cardigans.

Have a lovely weekend,

Love, Hayley, Beccy, and the rest of the team x

Other Bits and Bobs...

This week we walked to the library. When we arrived a librarian spoke to us about what we can do at the library. The children looked for books about growing, chicks, vegetables, and other books that fit in with our learning at school. We then took these books back to school to read. Why not visit the library this weekend; you could get your own library card if you haven't already and enjoy getting cozy at home reading new books.
