

Just to Let You Know

19/4/24

Dear Parents and Carers,

We have launched our World War II topic this week and the children have shown a lot of interest and asked thoughtful questions. This week we have learnt about the children who were evacuated from cities to the countryside as well as putting the key events of the war onto a timeline.

In PE, we have moved on to working on our athletics skills and this week we focussed on developing the core skills of sprinting. The children even had a go at coaching one another, using the I pads to film and analyse their sprinting techniques.

We hope you have a lovely weekend,
Team Three

Spelling

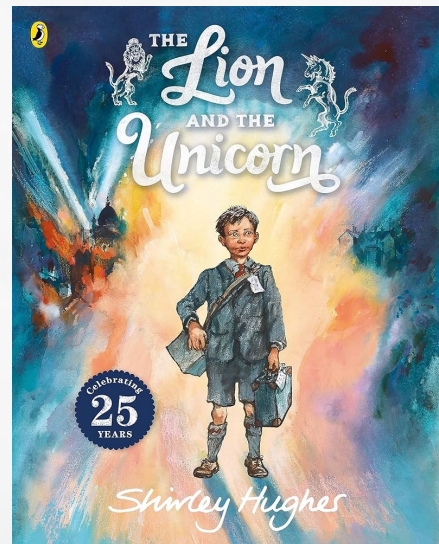

This week we are looking at the phoneme /s/ as in space.
There are many graphemes for this sound: s, ss, c, ce,
se, sc

The spellings for this week are: history, sentence, scene,
since, possible, bicycle

Bridgit's Spelling Group: sunshine, said, history,
sighed, lesson, missed, house, mouse

English

This week we read the Lion and the Unicorn which tells the story of a boy named Lenny who was an evacuee during WWII. We used the drama techniques called freeze frames and thought tracking to re-enact and adapt key scenes from this story. After this, we developed the characters in these scenes along with their dialogue. We recapped using inverted commas and subordinate conjunctions to record their speech.

Maths

In Maths this week, we have been measuring weight and comparing mass using scales. This required us to learn, first of all, how to work out the intervals on a range of scales. Have a go at working out the weight of the items below:

The toy car has a mass of
4 kg and ____ g.

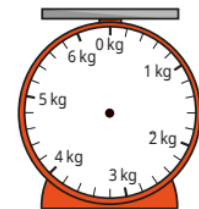

The toy train has a mass of
____ kg and ____ g.

Draw arrows on the scales to show the mass.

1 kg and 700 g

5 kg and 900 g

Dates

3G will be swimming every Monday from the 22nd of April, please do remember to send your child in with their swimming kit.
