

Just To Let You Know...

Reception - Week 2

Friday 26th April

Gardening...

We're going to be setting up a planting station outside. As you buy compost for your gardens, please consider donating a bag (or more!) of peat-free compost to Reception. We'd also welcome any other gardening equipment. Thank you so much!

Tricky words...

Yesterday your child came home with a tricky word sheet. This has the 8 new tricky words we have learnt this term.

We have learnt 4 new tricky words this week. They are **some**, **come**, **love** and **do**. Please continue to practise all tricky words at home.

Dear Parents,

We have had a great week in school. This week we have been learning about the different parts of a plant and writing instructions on how to plant a seed.

On Wednesday we explored the adventure trail. The children loved going on all the equipment including the tyres, ropes, wigwams, climbing wall and balancing beams. We had a lot of fun and are looking forward to spending more time there this term.

Yesterday your child went home with a letter about our trip to the Look Out Centre in Bracknell on 1st July. If you are able to join us on this trip please let Beccy or Hayley know. Thank you!

Take a look at our baby photo reminder box and please send one in. You could even show your children some photos of when you were younger—do they look similar to their baby photos?

Have a lovely weekend,

Love, Hayley, Beccy, and the rest of the team x

Dates for your diary...

6th May—Bank Holiday Monday

14th May—Chicks arrive

17th May—Stay and Play

24th May—FLUFFY Friday

27th– 31st May—Half term

24th June—Midsummer holiday

1st July—Trip to the Look Out Centre—more details to follow

23rd July—End of term

Baby photos...

This weekend, we'd love you to have a look for a baby photo of your child that they can bring into school—or email to Beccy/Hayley so we can print them out. Over the next few weeks, we're going to be thinking about how we've grown and changed as we've got older.

Other Bits and Bobs...

Following our visit from the library they have been in touch to tell us about events they are running this term. Check the link if you are interested <https://www.surreycc.gov.uk/libraries/your-library/find-your-nearest/guildford/events-and-activities>

In PE we are practicing fundamental movement skills including throwing and catching. Here are two games you could play at home to practice. Practise bouncing a ball on the ground. Bend your knees, watch the ball and use two hands to catch it. Throwing and catching with a family member or friend. Aim for their stomach when you throw. Stand close together and move further away as your throwing and catching becomes more accurate.
