

# JOSTEIN GAARDER Hello?

Is anybody there?

A story for children everywhere

There are probably no bees anywhere else in the universe except on our own earth. And the universe is unimaginably vast! So we can hardly call a bee ordinary! Bees can do amazing things. The reason I am starting my story like this is that Mika was the one who taught me that nothing is ordinary...

Blessed are the poor in spirit,  
for theirs is the kingdom of heaven.  
Blessed are those who mourn,  
for they shall be comforted.  
Blessed are the meek,  
for they shall inherit the earth.  
Blessed are those who hunger and  
thirst for righteousness,  
for they shall be filled.  
Blessed are the merciful,  
for they shall obtain mercy.  
Blessed are the pure of heart,  
for they shall see God.  
Blessed are the peacemakers,  
for they shall be called  
the children of God.  
Blessed are those who are  
persecuted for righteousness' sake,  
for theirs is the kingdom of heaven.
