We work closely with the team at South Farnham SCITT and value our supportive and personalised approach to teacher training. The Ofsted Outstanding status reflects the SCITT's commitment to developing exceptional teachers who make a real difference in children's lives.

Whether you're looking to gather initial information or seeking specific guidance on the application process, the South Farnham SCITT team is on hand to support you every step of the way. They welcome queries at all stages of the decision-making process and are happy to provide additional information tailored to your circumstances.
