Guildford Homestay

Homes Needed

Throughout Guildford and Villages

Guildford Homestay arranges short educational visits for children from Spain, France, Japan, and China. As part of these visits, we're looking for local families who can host a child for a few days. All visiting children are fully insured and closely supervised, and we provide full support to every host family involved.

For our summer school programme, we offer £40 per child per night to host families, to cover the cost of meals, laundry and, of course, a welcoming home environment.

Excellent Rates of Pay

Full Support throughout

Flexible Short (4 nights), Long Stays (3 wks)
