² Active membership of a church means regular attendance at a church that is a member of Churches Together in Britain and Ireland, by at least one parent or the child, on average at least once a month over the year preceding the date of application. Active membership of a church must be supported by a letter from their parish priest, church minister or equivalent. In the event that during the period specified for attendance at worship, the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these admissions arrangements in relation to attendance, will only apply to the period when the church or alternative premises have been available for public worship.
