

Join us in the garden! Support sessions for families in Guildford

The Family Centre will be running a series of sessions to support parents of children and young people who are finding it difficult to attend school or another education setting.

These sessions are designed for parents and children to attend together. However, if your child prefers not to join, or has been able to attend school on the day you are very welcome to come along on your own.

There is no obligation to attend all four sessions, you can join as many as you wish.

Don't worry about bad weather — we have plenty of indoor space too!

Come and join **Sarah**, our Assistant Family Support Worker, for relaxed support sessions in our **beautiful community garden**

- Friendly, informal sessions in a welcoming environment
