

## Getting to school safely

It's really important that we keep the roads around school safe. We operate an informal one-way system at drop-off and pick-up.

Direction of traffic for Pewley Down

Direction of traffic for Holy Trinity

Not suitable for drop off/pick up

For the infants, please approach Pewley from the top of Pewley Hill and drive down Semaphore Road.

To reach the juniors, please drive up Pewley Way and into Addison Road.

It's best to keep clear of Cline Road as it's really impossible to turn around when it's busy.

**Please do remember not to park in private roads or car-park spaces (including Pewley Bank and Addison Court), or across driveways, on double yellow lines and never on the zig-zags.**

With so many children walking or arriving by bike, we really must keep speeds below 20mph and be extremely careful not to block pavements or reduce visibility for pedestrians to safely cross roads.

Please try to park up some distance away and walk for the last bit – it's a healthy, safer and more pleasant option. Thank you!
