Just To Let You Know

27<sup>th</sup> March 2026

Dear Parents and Carers,

Happy Easter to you all! We hope you have a lovely break and the children take the opportunity to recharge their batteries. We had a busy week with numerous exciting visits to churches; the children were beautifully behaved and represented Holy Trinity really well.

The children loved sharing their knowledge of our Space topic with you at their exhibition and the Year 4's were very impressed. We were so proud, watching them share their understanding of the planets, (including Earth), light and gravity.

For our new topic next term, we will be exploring tides and the coast. We would love your child to bring in a picture in the first week of a coast they have visited or one they know well. This will help us launch our exciting new topic.

Happy Easter,

Year 5

Our week's learning

This week, we have focused on the Easter story. The children have reflected on the things they have given up for Lent and the emotions that were felt by the many involved with the crucifixion and the resurrection of Jesus. They have written some beautiful prayers about the Fruit of the Spirit and they all loved the art exhibition at St Mary's.

Spelling/Phonics:

No Spellings this week but do encourage children to look at last term's spelling lists.
