

Year 6

Just To Let You Know

17/04/26

Dear Parents & Carers,

What a great start to the children's last term at HT! They have come back full of energy and enthusiasm for what looks set to be an action-packed few months of learning and discovery.

Besides lots and lots of revising, we have launched into our new history topic 'A Time for Change'.

Thank you to you all who came along to our Summer Term briefing last night. We hope you found the information useful!

Homework

From next week (wc 20th April), homework will look a little different.

We will no longer giving out Maths Facts Homework. Instead, the children will be given some alternative maths practice in preparation for SATs.

Please ensure your child is staying on track with their homework tasks. If they encounter any challenges, encourage them to speak with their class teacher for support.

History

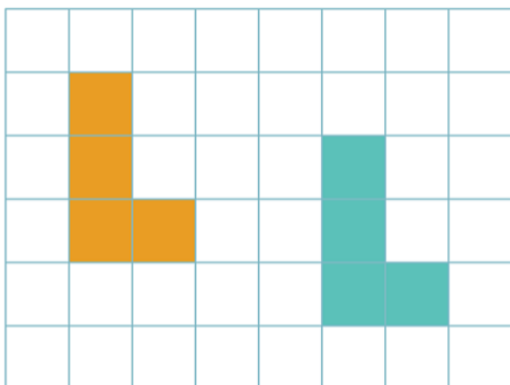

We began our history topic by exploring the historical timeline, which helped to establish the context for our topic. We then focused on the Georgian and Victorian Eras, identifying the key figures in power at the time.

Maths

We have been learning about translation and reflection.

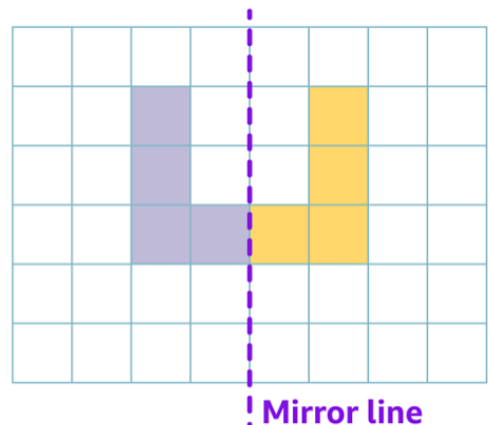

Translation is when a shape slides across, up, down or diagonally, without rotating or flipping over.

This shape has moved 4 squares across and 1 square down.

Reflection is when a shape is reflected in a mirror line. It looks like the shape is flipped over.

The reflection is the same distance from the mirror line as the original shape.

Spellings

Please make sure your child practises their spellings throughout the week.

jealous, strategy, marriage, suggest, digestion, adjacent, knowledgeable, foreknowledge, badger, gorge

We will test these spellings on Monday 20th April.

Notices

SATs Week Monday 11th—Thursday 14th May

Please make sure you keep the weekend before SATs as calm and restful as possible in order for the children to be best prepared for their test starting on the Monday.
