

Year 2
Just To Let You Know
22nd May 2026

Dear Parents & Carers,

It has been a strange week in Year 2 this week having both Fluffy Friday and Town and Downs walk.

We filled the rest of our time with our penultimate DT project, where we designed and built tents for the characters in the adventure stories we wrote in English.

We kicked off by learning about frame structures and shell structures. We then learned about how triangles can add strength and stability and looked at some A frames. We then went for a walk around the school site to try and identify both frame and shell structures before having a good look at Toby's tent from home.

After that, we spent some time exploring with different materials and joining techniques that could be used for our own tents. We then chose which destination our tent was being designed for, decided on which features it should have, drew our designs and then got to building.

The children worked really hard and had to solve many problems on the way and we're really pleased with how they turned out.

Town and Downs Walk

Thank you very much to those who helped us for our walk. Despite a long stomp, the children learned lots and had a really lovely time. We are very grateful for all the support provided by the parent group 😊

Spelling

In spelling this week, we continued to develop our understanding of suffixes and when to exchange a 'y' for an 'i' before adding a suffix to a root word.

Upcoming Dates

Monday 1st June – Return to school after half term

Thank you for all your support,

Emma (Chestnut class) emmaw@htpd.surrey.sch.uk

Toby (Walnut class) tobys@htpd.surrey.sch.uk
