

Year 5

Just To Let You Know

22nd May

Dear Parents and Carers,

What a brilliant week we all had last week. Those who did not go to Brenscombe enjoyed the outdoors with JJ and Paul and completed mechanical tasks and cooking throughout the week. For those that came to Brenscombe, we saw many examples of support, maturity and co-operation. The staff at Brenscombe were very impressed with their positivity and the enthusiasm they showed with every activity.

This week, we had a wonderful time visiting different churches and exploring the different aspects of Christianity on the theme of belonging. The children asked pertinent questions and were polite and courteous to the staff. Now we have finished Kensuke, the children have written some lovely stories based on their own ideas of being lost on an island. In maths, we have continued to explore tables and statistics and in geography, we have explored our ever-changing coast.

Have a restful half term!

Kayleigh, Helen and Scarlett

Spelling/Phonics:

There are no spellings for this week.

Spanish
