

Year 6

Just To Let You Know

22.05.26

Dear Parents & Carers,

We have enjoyed marking the end of this half term with a fantastic Fluffy Friday in the sunshine today!

We hope that you have a relaxing and enjoyable half term break.

Team 6 x

Junior Citizen Child Safety Event at Guildford Spectrum on Thursday 4th June 2026.

The Junior Citizen event is a multi-agency, interactive safety programme aimed at helping Year 6 pupils develop vital life skills to help them stay safe as they begin to become more independent. This experience supports their transition to secondary school by equipping them with strategies to make sensible and safe decisions, and we are very much looking forward to taking part.

Children will attend in class groups:

- 6JP and 6JW will attend in the morning.
- 6N will attend in the afternoon.

All children in **6N will need to bring a packed lunch and a water bottle on the day**, as they will have an early lunch before getting on their coach. **6JP and 6JW will have lunch back at school as normal.**

Children should wear school uniform and comfortable shoes. Please make sure they bring weather appropriate clothing (hat, waterproof, sun-cream).

The cost of this trip is £4 per pupil, which, along with the consent form, should be paid via ParentPay.
