

Just To Let You Know

12th June 2026

Dear parents and carers,

This week, we've had part two of 'Pebbles and Bubbles Go on Holiday!' At the start of this week, the children received another letter from Bubbles and Pebbles asking them to find out more about the United Kingdom this summer! On Monday, we spent time learning about Wales. We looked at a world map and explored atlases before travelling to Cardiff. We looked at similarities and differences between Cardiff, Edinburgh and Guildford. We also learned about some of the features of a coastline in Wales.

Pebbles

Bubbles

Phonics

We just wanted to tell you how very proud we are of all our children having completed the Phonics Screening Check this week! The official results will be notified to you in the end of year reports in July.

Walking to Pewley Meadow and HT Woods!

We are so excited to be going out to visit the meadow and woods next Thursday morning. If you are able to come along, we need a few helpers. Please let Emily or Sheena know. We will leave just after 9 and return to school for lunch at 12 pm. We will take a snack for the children but please send them to school in weather appropriate school uniform, with trainers. It looks like it will be sunny so please send sun hats and apply sun cream every day.

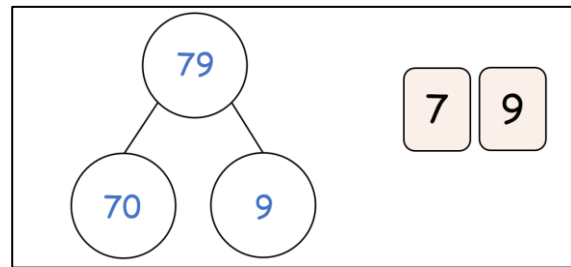

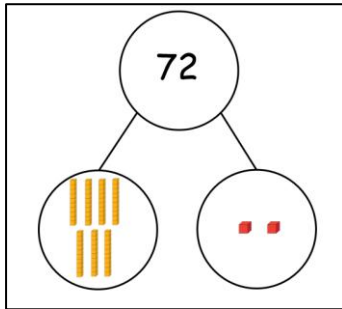

We will be walking in long grass on the meadow so please send your child in leggings, joggers or long trousers if you would like to – just in case of ticks!

Maths

In maths this week, we began looking at a number line that goes to 100. We have partitioned numbers into tens and ones. We have looked at numbers that are 1 more and 1 less than numbers up to 100.

HANDWRITING

We are very excited to be writing whole words this week! Here they are:

it, tilt, lit,

Resources to help with learning at home

We're Going on a Bear Hunt

Watch Michael Rosen perform his famous book
