

Year 2
Just To Let You Know
12th June 2026

Dear Parents & Carers,

We hope you all had a lovely week!

Maths

In maths this week, we finished our unit on fractions by recognising and finding $\frac{3}{4}$ s. We also began learning about time, and so far have learnt how to tell the time to o clock, and half past .

We also continued our Maths fluency, practicing simple number bonds to help the children recall them very quickly in preparation for year 3.

English

In English, we have begun a new unit focusing on writing fact files for animals found in Guildford. The children spent time gathering information on their chosen animal, including facts about their diet, habitat and appearance.

Geography

What a week of travelling it has been for year 2, we made it all the way to Hong Kong on Pewley Airlines!

Captain Lilja and her team of cabin crew flew the year 2 classes to meet Donna from Hong Kong who told them all about Hong Kong. They had a great day and after finding out lots of new things created some brilliant Chinese dragons and wrote their names on rice paper in Chinese. They also discovered even more from orienteering their way around. Luckily, they all returned from their exciting trip at the end of the day.

Upcoming Dates

Friday 19th June – Move up day to Year 3 (more information coming soon).

Monday 22nd June – Mid-summer holiday

Thank you for all your support,

Emma (Chestnut class) emmaw@htpd.surrey.sch.uk

Toby (Walnut class) tobys@htpd.surrey.sch.uk
