

Year 6

Just To Let You Know

10/07/26

Dear Parents & Carers,

This week, the children continued to channel their creativity in their apprenticeship activities. We're looking forward to an impressive display at The Great Exhibition on Monday 20th July!

Leavers' Service at St Mary's Church, Guildford – Thursday 16th July

This special service is just for our HT Year 6 children and their parents and carers. We'd love to see as many of you as possible from 9:30am, when there will be a selection of thoughtful, reflective activities created by the children.

At 9:45am, we'll head into the church for a heartfelt celebration of their time at HT — a chance to look back on all they've achieved and to wish them well as they take their next steps on to secondary school. The service will finish at approximately 10:45am.

If you have offered via the Parent Helpers Form to help walk the children from school to the church, please can you come to the school office at 9:00am. Thank you.

Trinity Trek – Friday 17th July

We're looking forward to seeing lots of you for our big day out on Friday 17th July.

You should have received a ParentMail with full details about timings and arrangements. If you offered to help via the online form, you will have received an additional email to confirm this. If you're no longer able to support us, please let us know as soon as possible via email.

Children will need **a comfortable rucksack** for the walk, a hearty **packed lunch** and **two full water bottles**, which can be refilled at various points on the walk. There will be snack breaks so we encourage children to have healthy snacks too. It is also essential that they have **a sun hat and sun cream**. The children should **wear home clothes**. Please remember shoulders need to be covered - no vest tops. Some of the walk is a little overgrown, so we suggest long trousers/leggings.

In school today, the children have designed a menu for their evening activity of cooking on the Trangias. Your child should have brought home their group menu and a list of ingredients/equipment they've agreed to bring for their cooking group. If there are any issues with this, please do get in touch — the rest of their group will be relying on everyone arriving prepared. Thank you for your support with this.

In the event of adverse weather, we'll be following Surrey County Council guidance. If any changes to the route or timings are needed, we'll let you know as soon as a decision is made.
