

Just To Let You Know

Friday 17th July

Dear Parents and Carers,

It is hard to believe that this has been our last full week of Year 4, but we have certainly packed plenty into it, with mystery writing, river mapping and mathematical challenges keeping us busy right to the end!

English

This week, we put the finishing touches to our mystery stories, carefully proof-reading and editing our work to ensure it was the very best it could be. We also began transforming our River Wey leaflet notes into informative paragraphs, using our knowledge of rivers to write clearly and engagingly for our readers.

Maths

This week, we put our problem-solving skills to the test in a series of exciting challenges. We worked out the mass of objects in our *Taskmaster: Mass* challenge, explored perimeter through practical investigations, planned a football budget and finished the week by plotting mystery maths problems on a grid.

Ask your child: What was the mass of Tiny the tortoise that their group made?!

Geography

This week, we completed our study of the River Wey by mapping its course and identifying the physical and human features found along the river.

Reports

Your child will have brought their end-of-year report home this week. Please enjoy reading them and send in any feedback on the slip provided.

Celebration afternoon – Mon 20.7.26

Our children will be showcasing their work from 1.45pm on Monday. You are invited to come in and see all that they have achieved this year, celebrate in their learning and take them – and their work - home early with you if you so wish. There will be a musical performance from the choir at 1.15pm in the Arena.

Arena.

Please ensure your child brings a sturdy carrier bag in which to take their work home!

Holy Trinity Church service – Tues 21.7.26

We would love for as many of you as possible to join us in safely walking our children down to the town for our end of year service and back again.

Please drop your child's teacher a note if you are able to accompany us; we will be leaving school at **9:15** am and returning by **11am**.

We look forward to seeing you all,
The Year 4 Team.
