

Year 5

Just To Let You Know

17th July 2026

Dear Parents and Carers,

We have made it through another very warm week and would once again like to thank you for your support in ensuring the children come to school with sun hats and water bottles. We also appreciate your help in reminding them to take things a little more gently during break and lunchtime in the hot weather.

It is hard to believe that this is the final *Just to Let You Know* of the academic year. Year 5 has flown by, and soon the children will be moving into their final year at HTPD. To celebrate all they have achieved this year, we look forward to welcoming you into school on **Monday 20th**. The children will be sharing their musical talents on the arena and some of the work they are most proud of from the year in their classrooms. You will also have the opportunity to visit their new classroom and meet their Year 6 teacher. Children would benefit from bringing in a **bag** to school that day to take books home in.

On Tuesday next week we have our final Holy Trinity Church Service of the year. It is a lovely opportunity to celebrate a successful year. If you are able to help with next week's visit to the church, could you please let your child's class teacher know. We don't currently have enough volunteers to walk them safely down to the church.

In English this week, the children have been writing their own Egyptian myths, drawing on their knowledge of Ancient Egypt and the features of traditional myths. In Maths, they have consolidated their understanding of telling the time. In Science, we investigated water resistance through a range of practical activities and discussions, before putting our beach hut creations to the test against the power of the waves.

Thank you, as always, for your continued support throughout the year. We wish you all a wonderful summer and a restful holiday.

Team 5
