

Year 6

Just To Let You Know

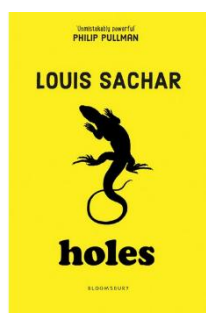

Friday 4th September 2026

Dear Parents & Carers,

We have had a lovely week getting to know your children. It is amazing how well they have settled into life in Year 6!

Maths

We have been building on our key number sense this week looking at place value and comparing large numbers.

English

In English we have started reading the book *Holes* by Louis Sachar. The children have considered the setting description and started their English books with an illustration of what they think Camp Green Lake might look like.

Upcoming Dates

Monday 7th September – Year 3 & 6 Buddy day

We will be spending the day at The Chantries with our Year 3 buddies. The children will need to be dressed in their PE kit with a waterproof jacket. As we are out all day, the children will also need a packed lunch and full water bottle. If you would like to volunteer on this day out, please email your child's class teacher.

Tuesday 8th September – Meet the Team Evening – 7pm

Come and meet Team 6 and find out all about life in Year 6.

Friday 25th September – RHS Wisley

To complement our work on plants and biomes in our learning about Brazil, we will be visiting RHS Wisley. If you would like to volunteer on this trip, please email your child's class teacher.

Homework

We will start giving out homework next week. The children have received their homework timetables – ask them to show you in their reading journals.
